Woeller Group strongly believes in giving back to the community in which we live and work.

This holiday season, Woeller Group is making a donation to the K-W YMCA Camping program. Our gift will allow children, who would not otherwise be able, to experience life at summer camp.

Research shows that children who spend time away from home at summer camp benefit from an invaluable opportunity to learn life skills in a safe and caring environment. Camp helps children build confidence and self-esteem, and creates an atmosphere where each child is a member and contributor to the camp community. The social and independence skills learned at camp carry over to benefit each child in their family, school and community life.

Thank you to our customers & colleagues for your ongoing support of Woeller Group. It is only through your support that we are able to help the YMCA build strong and healthy children.

Wishing you happiness this season and in the new year!
